

Home Energy Savings Advice

Practical support for you in your home

WORRIED ABOUT YOUR ENERGY BILLS?

What is it?

A totally free service providing a visit from a trained home energy advisor to help identify areas where savings can be made on energy use in your home.

- Resolving issues with reading and paying your bills
- Installing LED bulbs, draught excluders, and radiator reflectors
- Access to grants for insulation, new boilers and appliances.

Who Can Get It?

Residents in West Somerset, Taunton Deane, Sedgemoor and North Somerset - home owners, private and social renters *

Who Does it?

Our Qualified Home Energy Advisors Maria and Erika

Why is it different?

Because it's all about you and how you use your energy in your home. It's totally independent, impartial and costs absolutely nothing. We provide practical support in your home and not just over the phone.

How Will I Benefit?

Everyone benefits differently, depending on you and your home. But, it can help to reduce your energy bills.

*Household income below £31k or someone in the household is in receipt of a benefit.

Home Energy Savings Advice

Practical support for you in your home

'Maria explained the energy usage, switched energy providers and now I have a direct debit set up. Burnham and Weston Energy has taken away a lot of stress and the service will help a lot of people.'

Thank you

'The boiler installer was amazing. I was worried about the state of my house, but there was no judgement and I'm hugely grateful that I have hot water and heat.'

Thank You
